“Lazarski without barriers - your new opportunities”

Information brochure for foreign students of Lazarski University

Lazarski University

Goals of the project

The aim of the project is to enhance the accessibility of Lazarski University facilities towards people with special needs, including those with disabilities.

Project beneficiaries

Students of Lazarski University with special needs, also including:

- a person with physical, visual, hearing or speech disabilities,
- a person on the autism spectrum,
- a person experiencing a mental health crisis,
- a person with other invisible disabilities,
- a person requiring individual support in extraordinary circumstances.

Benefits

- adaptation of the University's space,
- expanding the educational offer for people with special needs,
- support with the formalities related to the education process,
- possibility of working with a Disability Assistant (e.g. mobility assistance),
- organization of trainings and workshops to enhance the competencies of students with special needs,
- support from a psychologist, a psychiatrist and a speech therapist,
- specialized career counseling,
- teaching assistant support,
- assistance in using library resources.
